

Dear parent(s),

Last Sunday, the cabinet decided that the primary schools, daycare centers and toddler care centers will reopen from the 8th of February.

We are very happy to receive your little ones again! Your child is welcome again at your own location from Monday on the regular contract days.

Stricter measures

Much is still uncertain. We hope that this week we will receive more information about these measures, so that we can continue to provide care for your children in a safe manner. The RIVM will provide these adapted measures. We can hopefully inform you about this later this week.

Is your child not coming from the 8th of February?

It may be that you do not want to bring your child or that your child is ill. Sign him or her off through the Op Stoom app. We would like to explicitly ask you to unsubscribe, because then we can properly plan our staff on the number of children that will actually come.

Requesting extra days

Our registration and unsubscribing policy will apply again from the 8th of February. Requesting extra days is based on availability.

Safety first

In order to protect you, your child and the employees as well as possible, it is important to follow all the measures. We would like to ask you to be extra vigilant about this. Furthermore, we still urgently ask you to keep 1.5 meters away from our employees and to wear a mouth mask when bringing and collecting your child(ren).

Emergency daycare

We only offer emergency daycare until Friday February 5th. The agreements and conditions that we have made before will continue to apply. You can find all our information at opstoom.nl/coronavirus.

Questions

If you have any questions, you can always ask them through vragen@opstoom.nl.

See you soon!

We look forward to getting back to work and doing what we love to do most which is to have a great day with your child (ren)!

Kind regards,

Gerda Laan
Director Kinderopvang Op Stoom
